

Theme: **How advanced were the civilisations around 3000 years ago?**

Driver: History

Year 3  
Spring 2  
2024-2025

As writers we will... learn how to weave setting description, and characterisation into our stories. We will also learn how to write a persuasive advert later in the term.

As mathematicians we will... Draw upon our multiplication and division knowledge to understand fractions. Towards the end of term, we will be learning about length and perimeter.

As scientists we will be... exploring plants. We will learn about the effects of different factors on plant growth, and how the different parts of a plant function through photosynthesis.

In Religious Education we will...

focus on the importance of Easter to members of the Christian faith. We will explore the Christian view of the sacrifice of Jesus and then subsequent resurrection.

**Our focus skill for this term will be:**

**Reading for Pleasure  
Class Novel:**

As technicians we will... explore data logging. We will be using digital data loggers to collect data. We will then answer questions based on the data we have collected.

As designers we will...

focus on how to turn a 2D shape into a 3D product. We will learn how to design, create and evaluate our products.

**Science Home Project:** See Miss Wibberley's guidance for this on the whole school story (12.02.25).

As historians we will... look at a variety of sources to continue to explore ancient civilizations. We will uncover what made Ancient Egypt so special and the impact that The Ancient Egyptians have had on the world as we know it.

As athletes we will be...

completing various multi-skills tasks focusing on our coordination, balance, agility skills, and yoga.

As musicians we will be...

listening to 'The Dragon Song' by Joanna Mangona and Pete Readman. We will listen and appraise to appreciate the lyrics to the song. We will learn how to sing and play the song using glockenspiels.

In PSHE we will be...

focusing on 'Healthy Me'. We will start to understand the importance of exercise, as well as looking at our diets. Furthermore, we will gain knowledge around drugs. We will identify things, people and places that we should be aware of, in order to stay safe.

**For more information on what we will cover in PSHE this term, please follow this link:**
