

Important Information

PE

Our PE days are Mondays and Thursdays. Please ensure your child has their PE kit at school, hair tied back and **no** earrings.

Reading Books

The children are given daily reminders to check if they need to change their book. They will also continue to bring a book home from the library this term. They will have this book for a week and will return to the library on a Wednesday to change it for another.

Spellings

We encourage children to practise these skills daily to enable fluency and accuracy. Spelling tests will take place every Monday and new spellings will be sent home that day. Maths/English homework will be sent on Fridays.

How You Can Help Your Child at Home

- Reading to your child is still important, even as they become more independent readers. Sharing a story helps the children to become better readers and writers themselves, so please continue to do this!
- Encouraging your child to do their homework, as this will support their learning in school.
- Follow up research, visits or discussions with your child about what they are learning.
- Using our amazing online resources: Reading Eggs, Sumdog and Spelling Shed.

If you have any questions or concerns, please don't hesitate to ask.

Curriculum Information
Summer Term 2 2019

Dynamic Dolphins Wonderful Whales

Miss Allcorn and Mrs Sharkey

Scrumdiddlyumptious

We're going to enjoy a yummy journey of discovery, sampling fantastic bread and tantalising treats! Will we like everything we taste? We'll try different types of bread, and even bake our own. We will be heading off to Cadbury World to learn more about how chocolate is made and have a specialist talk on fair-trade.

Overview by subject:

English: In English we are basing all our learning on Charlie and the Chocolate factory; we will read the book and focus our writing on persuasion and recount.

Maths: In Maths this term, children will continue to broaden their knowledge on money, time and measurement. Children will then begin recapping everything they have learnt in Year 3.

Art and Design: Children will be baking different types of bread, designing smoothies and sweet wrappers.

Geography: In Geography, children will be sampling different types of food and identifying where they originate from.

History: Children will be learning about James Lind, they will research and create fact files about him.

PE: In PE, children will be focusing on athletics and Rounders.

RE: Children are learning about Hinduism and the Pilgrimage to the River Ganges.

PSHE: Children will continue to use the new scheme 'mind up' and discuss how the mind works and why we feel the way we do sometimes, on top of this children will learn the best way to deal with certain emotions.

French: This term in French children will be learning about food in French along with knowing the correct French vocabulary for different foods.
