

Driver: Geography
Theme: Where in the UK is Rushden?

Year 3
Summer 2
2022-2023

As writers we will...

be using our knowledge of the local area of Rushden and its special history to write a leaflet detailing why Rushden would be a good place to visit. Also, children will try their hand at writing and performing some poetry this term.

As mathematicians we will...

finish off our unit on time and then move onto the exciting world of geometry and statistics. Children will look at some real-life examples of how data is processed and then spend some time recognising 2D and 3D shapes.

As scientists we will be...

having a tremendous time in science week. The children will be conducting a science project investigating how forces interact on an air powered balloon car.

As geographers, we will...

learn where Rushden is on the map and be able to identify bordering towns and counties. They will identify ways to travel to Rushden and walk down to the high street to look for strengths in the economy,

Our focus skill for this term will be:
Staying positive

As technicians we will...

be learning how to create our very own unique sandwich. Children will learn about the structural integrity of the sandwich and why it remains a popular staple of British culture.

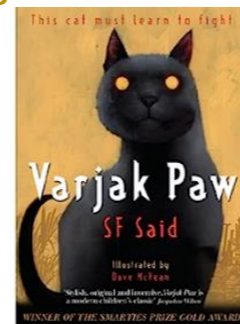

As artists we will...

be having a fabulous arts week, which will incorporate many fun activities and give the children the chance to express their creativity.

Reading for Pleasure Class Novel:

In Religious Education we will...

be continuing to learn about how Jesus was an inspirational leader. Children will learn the difference between miracles and magic tricks as well as discuss some of Jesus' parables.

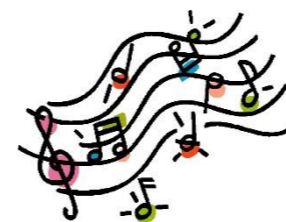

As athletes we will...

be practicing our hand-eye co-ordination through the sports of tennis and cricket.

As musicians we will...

be having a fusion of art and music in our arts week this term. Children will have the chance to listen and play along to music and understand the importance of music as an art form.

In PSHE we will...

learn how our bodies change as we get older and the effect this has on our physical and mental wellbeing.
