

**Who let the Greeks out?**

As writers we will...  
create an instruction text looking after a mythical creature. We will focus on imperative verbs and how to use apostrophes correctly. We will then move onto creating a diary based on a video stimulus, before finally moving onto creating a free-verse poem.

As mathematicians we will...  
be deepening our knowledge of coordinates with plotting coordinates with problem solving. We will be adding and subtracting decimals. We will be learning about negative numbers and how to compare and order them. We will also be converting between metric and imperial measurements.

As scientists we will...  
explore key stages of the life cycles of mammals. We will be learning about gestation and pregnancy. We will also be learning about how humans age and develop and they grow from infancy into adulthood and the changes that occur in the body.

As historians we will...  
look at the civilisation of Ancient Greece. We will explore the different city states of Athens and Sparta along with looking at the many contributions that the Ancient Greeks made to modern civilisation.

Our focus skill for this term will be:  
**Staying Positive**

As technicians we will...  
be introduced to blocks for programming using Scratch. We will modify conditions to existing programs and identify the impact it has.

As artists we will...  
celebrating arts week starting on June 19<sup>th</sup>. We will be exploring film and photography based around the theme of identity and what it means to the children and to others.

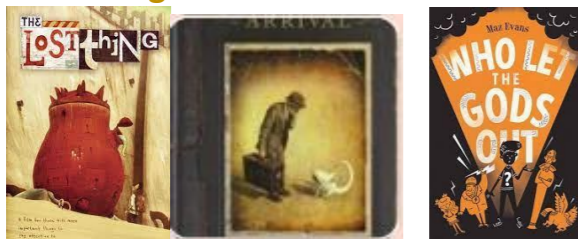

As athletes we will...  
learning about both cricket and rounders. We will be learning the rules of both games along with the skills of bowling, hitting and fielding.

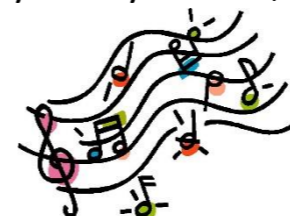

In Religious Education we will...  
learn about Hinduism and what we can learn from different aspects of the religion. We will find out about the different gods in Hinduism and how Hindus worship.

**Reading for Pleasure Class Novel:**

As musicians we will...  
explore different pieces of music and play along with them. We will be looking at pieces by Henry Purcell, Beethoven, Chopin and Charles Edward. The children will learn improvisation and will perform a piece based on the unit.

In PSHE we will...  
look at self-image and self-esteem and the influence that online and media can have on it. We will also be learning about puberty and the changes it has on the body along with conception.
