

**As writers we will...**

read two alternative traditional tales called, 'The Three Little Wolves and The Big Bad Pig' and 'Jim and the beanstalk'. After that, we will retell the story from the perspective of the wolf and write a letter from Jim to the giant. Furthermore, we will also be writing a set of instructions for how to make a pumpkin soup.

**As mathematicians we will...**

solve problems with addition and subtraction using concrete objects and pictorial representations. Also, we will identify and describe the properties of 2-D and 3-d shapes.

**As scientists we will...**

describe the needs of animals, including humans, for survival. We will understand the importance of health and good diet and will explore exercise and hygiene.

**As historians we will:**

understand about the significant individuals: Florence Nightingale, Mary Seacole, Sir David Attenborough, Emily Pankhurst and Walter Tull. We will look at timelines to understand chronology and will use primary and secondary sources to compare and contrast the individuals and their achievements.

**Reading for Pleasure Class Novel:**

**As Technicians we will...**

explain what a given command will do and will then create commands to move a robot.

**As artists we will...**

use textiles and clay to make textured pictures of food. We will add line and shape using the resources. After this, we will learn how to join fabrics using gluing and sewing.

**Our focus skill for this term will be:**

**In Religious Education we will...**

understand the importance of the Torah to people of the Jewish faith.

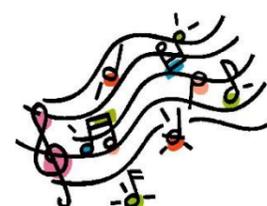

**As athletes we will...**

develop balance, agility and co-ordination, and begin to apply these in gymnastics and games.

**As musicians we will...**

find the pulse, clap rhythms, play instrumental parts and perform the Christmas song Ho, Ho, Ho!

**In PSHE we will...**

be celebrating difference. During this unit, we will explore what it means to be me and understanding that everyone is different.
