

Reading for Pleasure Class Novels

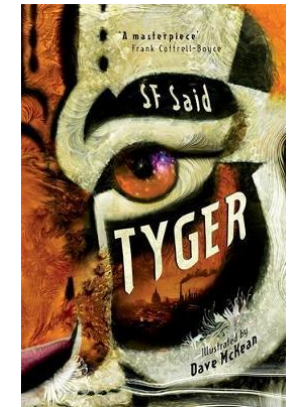

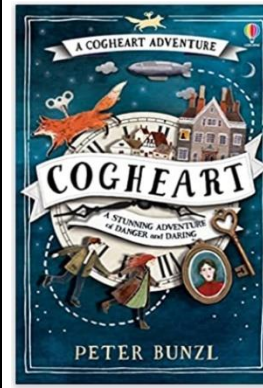

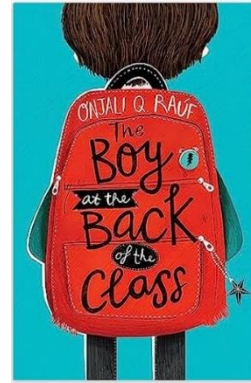

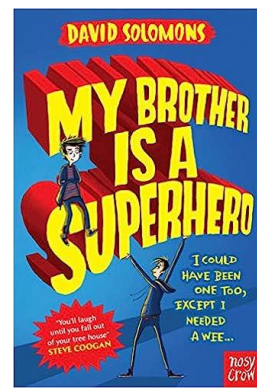

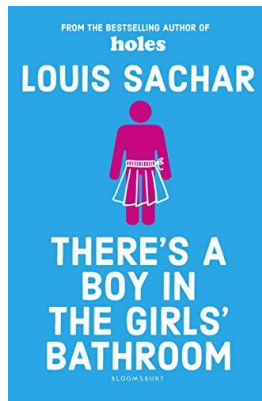

- Your class novel must be read for at **least 10mins at the end of each day**, except on a Monday when we have our book assembly. Feel free to read whenever you like as an additional!
- If you only have one book per year group, please feel free to swap around the order, but leave the MTPs to reflect the order below. For example, TT will read Fantastic Mr Fox whilst BB read Mr Majeika in Term 1 but in Term 2 they will swap around.
- Please display the “Our Class Novel” poster in your window next to your internal door to show visitors and other members of staff what your class novel for the term is.
- Display your class novel somewhere visible within the classroom so that it is clear what you are reading.
- Please keep your class novels somewhere safe in your classroom. Previous teachers should have passed these onto new members of staff. Some of the books ‘new 2023’ will be purchased the term before.
