

As writers we will...

be creating a conquering the monster tale, where will focus on including great dialogue. After that, we will be writing a persuasive speech which will focus on using the appropriate language and tone.

As mathematicians we will...

be focusing on multiplication and division. Furthermore, we will learn about kilometres and metres as well as working out the perimeter of rectilinear shapes and regular polygons. Throughout the term, we will continue to practise our times tables facts, so that we are fluent.

As scientists will be...

learning about electrical safety and how an electrical circuit works by building our own circuits. We will confidently draw circuit diagrams using symbols and the difference between a conductor and insulator.

In Religious Education will be...

learning about how people respond to challenging situations and the beliefs and practices that bring comfort. We will reflect on our own experiences and routines that help us feel better, before learning about religious and non-religious approaches to coping.

Our focus skill for this term will be:

Teamwork

**Reading for Pleasure
Class Novel:**

As technicians we will be...

learning how to programme an onscreen sprite with commands that can create a pattern and repeat a sequence. We will be able to confidently break our sequence down and recognise each tile and its instruction.

As artists/designers we will...

be exploring collage. We will start by creating a montage that represents ourselves. Then we will design and make a Roman style mosaic using paper before using ceramic tiles to make another mosaic.

Home Project

We would love to see you and your child working together to create a family project.

Projects could be: to make a Roman shield, helmet or make a device that will propel a marble such as an Onager.

As historians we will...

we will be learning about the Roman Empire. Learning will include when, where and why they invaded Britain and what they used in battles that made them so powerful. Following this, we will learn about Queen Boudica and be able to identify what Romans did for us today.

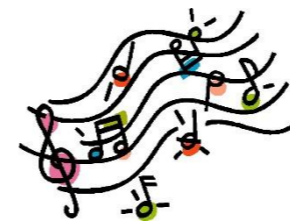

As athletes, we will...

be learning how to travel in different ways and the shapes we can make with our bodies in gymnastics and learning skills to play basketball successfully.

As musicians we will...

be learning about pulse and rhythm focusing on how these are used with songs. We are focusing on an anti-bullying rap called Stop!

In PSHE we will...

be learning about our hopes and dreams. We will be focusing on how these make us feel and what steps we can take to achieve these.

For more information on what we will cover in PSHE this term, please follow this link:
[parent-knowledge-organiser-8-9.pdf](#)

As French speakers we will...

be learning how to say and pronounce the days of the week, months of the year and other important dates. We will also learn about celebrations that occur in France and be able to compare them with the UK events.
