

As writers we will...

be using the texts 'Lost and found' by Oliver Jeffers to support us in a non-chronological report and 'Beegu' by Alexis Deacon to help us write a character description.

As mathematicians we will...

be learning to multiply and divide. We will be practising counting in 2's, 5's and 10's and using resources to make arrays, share equally and double.

As scientists we will...

be exploring the changing seasons. We will learn about a range of different types of weather including cold, clouds and thunder. We will then discuss how to keep safe if there is a thunderstorm.

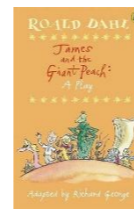

In Religious Education we will...

be learning about what Jews believe and how they live. We will be explore their different holidays and why they are important to Jewish people.

Reading for Pleasure
Class Novel:

Our focus skill for this term will be:

Problem Solving

As technicians we will...

be learning how to use a keyboard type on an electronic device. We will be able to spell our name using Microsoft Word and will learn how to make changes using the back space key.

As artists/designers we will...

be exploring Joan Miro's artwork and practise similar techniques that he perfected using dough. Then using this new learning, we will create a sculpture of our own using clay.

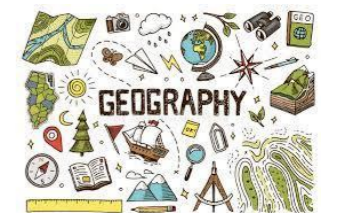

Home project:

Can you create an art piece to represent the four seasons- Spring, Summer, Autumn, and Winter?

As geographers we will...

learn the name of the four seasons and the weather associated with each. We will also be able to identify the equator and the north and south pole on a globe. Finally, we will find out about the animals that live near the equator and in the north and south poles.

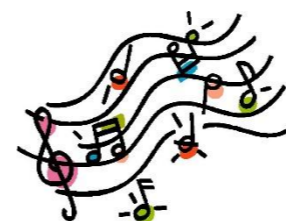

As athletes we will...

be learning about Yoga by performing different yoga positions. Also, we focus on our athletic skills ready for our sports day!

As musicians we will...

be learning the song 'Your imagination' by Joanna Mangona and Pete Readman, where we will continue to develop our knowledge of using our voices as instruments.

In PSHE we will...

be discussing our families and people who can help us at school and at home. We will also discuss what qualities make us a good friend and appropriate ways to interact with our friends.
