

Rushden Primary Academy's Swimming Data 2025-2026

Swimming and Water Safety	Input data	Reflections
1. Swim competently, confidently and proficiently over a distance of at least 25 metres	42/59 81%	We identified children who did not pass their 25 meters and provided them with top-up swimming sessions in year 5. This allowed them a further chance to achieve their 25 meters.
2. Use a range of strokes effectively (for example, front crawl, backstroke and breaststroke)	42/59 81%	The swimming coaches teach front crawl, backstroke and Breaststroke.
3. Perform safe self-rescue in different water-based situations	40/59 68%	There was a clear increase in percentage in those who passed their safe self-rescue.
